## Learning

### Highlights

**Science: Waste**

- We are conducting 2 experiments:
- Comparing bread touched by clean or dirty hands. We have some mold growth!
- Which biodegradable substance (paper, food scraps, leaves, etc.) will decompose the quickest in our composts?
- We are learning about how garbage is dealt with in Strathcona County.

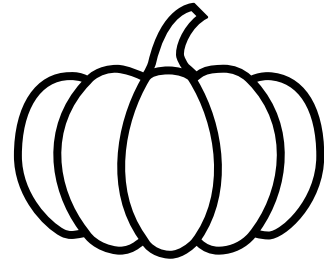

**Social:**

- This month we will be focusing on the geography of the Rocky Mountain region of Alberta. Students have many connections to time spent in Jasper & Banff!

**Bible:**

- Life of Christ
- Miracles
- Parables
- Message of Salvation
