FOR the MONTH OF
January

Learning

Highlights

Language Arts

- We are beginning our reading unit focused on nonfiction books.
- Completing 'Thank You Letters' (Please watch for a sticky note coming home in the coming weeks to provide an address for mailing our letters).
- Developing our skills with sentence starters and dress ups

Math:

- We have completed the multiplication portion of our 'Multiplication and Division of Large Numbers' unit. We are going to be learning long division in the coming weeks. Please have your child continue practice multiplication and division to 12x12. They will need quick recall of these facts for this unit.

Important Dates

8: Early Dismissal

10: We Care Collection Drive

17: Hot Lunch

24: 4C Reading Day

29: No School- PD Day

January

NEWS

Learning

Science: Highlights

- Students will be having Science Test for the Space Unit on January 14th. Study guide is posted on 4C website.
- We are starting a unit on 'Energy' which includes non-contact forces, gravity, and magnetism.

Social:

- This month students will be completing a partner project on the Grassland, Foothills or Boreal Forest regions of Alberta.

Bible:

- We are studying the Holy Spirit and His work in our lives.

Important Dates

Grade 4 Reading Day:

On Friday, January 24, will be a Read-A-Thon in grade 4. The kids may wish to wear comfy clothes/pajamas, bring a stuffed animal, and a stack of good books. Our goal is to read for the entire afternoon.

Psalm 23:1 The Lord is my shepherd, I lack nothing
